How Does the United States Affordable Care Act (ACA) Affect My Coverage?

Non-U.S. Citizens: As non-resident aliens, international students, scholars, and people involved in cultural exchange programs on F, J, M and Q visas (and certain family members) are not subject to the individual mandate for their first five years in the U.S. All other J categories (teacher, trainee, work and travel, au pair, high school, etc.) are not subject to the individual mandate for two years (out of the past six). Since international students are not subject to the mandate, they are eligible to purchase Student Health Advantage.

U.S. Citizens: Under ACA, all U.S. citizens, nationals and resident aliens are required to purchase minimum essential coverage (ACA compliant coverage), unless they are exempt. Exempt U.S. citizens include U.S. citizens who reside outside of the U.S. for 330 of any 365-day period, or have a tax home (main place of work or employment, or if you don't have a main place of work or employment, your main residence) in a foreign country, and is a bona fide resident of a foreign country.

Please note that this insurance is not subject to, and does not provide benefits required by, ACA. Since January 1, 2014, ACA requires U.S. citizens, U.S. nationals and resident-aliens to obtain ACA compliant insurance coverage unless they are exempt from ACA (international students on F, J, M and Q visas (and certain family members of students) are not subject to the individual mandate for their first 5 years in the U.S. All other J categories - teacher, trainee, work and travel, au pair, high school, etc. - are not subject to the individual mandate for 2 years out of the past six). Penalties may be imposed on persons who are required to maintain ACA compliant coverage but do not do so. Eligibility to purchase or renew this product, or its terms and conditions, may be modified or amended based upon changes to applicable law, including ACA. Please note that it is solely your responsibility to determine if ACA is applicable to you and the Company and IMG shall have no liability whatsoever, including for any penalties that you may incur, for your failure to obtain required ACA compliant coverage. For information on whether ACA applies to you or whether you are eligible to purchase Student Health Advantage, please see IMG's Frequently Asked Questions at imglobal.com/en/client-resources/PPACA-FAQ.aspx. SHA Claims Procedure

Precertification:

Certain treatment and supplies including hospital admission, inpatient or out-patient surgery, and other procedures as noted in the certificate wording must be precertified for medical necessity, which means the insured person or their attending physician must communicate with an IMG representative at the number listed on the IMG ID card prior to admission to a hospital, before receiving certain treatments and supplies, or performance of a surgery. In case of an emergency admission, the precertification must be made within 48 hours of the admission, or as soon as reasonably possible. If a hospital admission or a surgery is not precertified, eligible claims and expenses will be reduced by 50%. It is important to note that precertification is only a determination of medical necessity, not an assurance of coverage, verification of benefits or a guarantee of payment. All medical expenses eligible for reimbursement must be medically necessary and will be paid or reimbursed at usual, reasonable and customary rates. Please refer to the certificate wording for full details of the precertification requirements.

For Precertification, emergency evacuation and repatriation, please call: IMG in the U.S.: 1.800.628.4664 (toll free) or 1.317.655.4500. Call IMG outside the U.S.: 001.317.655.4500 (collect if necessary). This information will also be provided on your ID card.

Note: You may begin the precertification process through MyIMG or the Client Resources section of imglobal.com. Simply look for the precertification option. You will be asked to provide the required information, which can then be submitted electronically. Once we have received all required information and medical records, our utilization management and review team will review the information provided and normally responds to the insured person or the provider within two business days. Please note that this online service will only initiate the process for treatment and supplies outlined in the contract, and it should not be used to request precertification for emergency admissions, procedures or evacuations.

Claims Payment:

All benefits payable under Student Health Advantage are subject to the terms and conditions in the certificate of insurance. To make claim processing efficient, claims for eligible medical expenses may be paid in two ways:

- Eligible expenses that have been paid by or on behalf of the insured person may be reimbursed by check directly to the insured person
- 2. Eligible expenses that have not yet been paid by the insured person may, at the option of IMG, be paid either to the insured person or directly to the provider
